

Please use this sample to create your own Player Bio. If you choose to add additional information to your Player Bio, it must all fit on one, one-sided page.

Player Bios may be sent by email or regular mail to Andrea Norman (AndreaN64@aol.com OR 1748 Dorrance Drive, San Jose, CA, 95125). All Player Bios RECEIVED by Thursday, August 3rd, will be guaranteed to be included in the Player Bio Book available to the college coaches attending The Nationals.

If you do not meet the August 3rd deadline, we will have blank Player Bio forms for you to complete by hand before entering the Forum. We will also be taking pictures to affix to the Player Bios on the day of the Forum.
